Rio

335 Azul

Ref. 20798

Parrots and the lush vegetation of a rainforest. Bright colours and a lot of movement: we are all dancing down the parade avenues in Rio de Janeiro's carnival. This is the spirit of Equipo DRT's print 'Rio'. Its stoke beauty enhances every single detail, capturing the freshness and the extraordinary richness of the composition. An amazing party turned into a decorative fabric for your bold outdoor and indoor interior design schemes. Rio indoor comes in two colours (multicolour and blue) and Rio outdoor FR comes in one colour (cosmos).
