Ref. 21104

Equilibrium, sweetness, strength and harmony are combined in Dorinde, the most art déco design of the collection Sarabande. The design of this curtain fabric offers a view of several layers, emphasized by graphic lines. Details of little birds and decorative elements in the front and back help to tell the story of the design. The eye dances so at the rhythm of printed lines and graphics. At the rhythm of Sarabande. In the Sarabande collection designed by Pappenpop for Equipo DRT. These 300 cm wide printed fabrics are fire retardant and acoustic.
