Rinaldo

989 Piedra

Ref. 21148

Wallpaper with a strong defined geometric structure which generates a 3D effect: some of them are squares, hexagons and other even triangles. The floral element at the background provides a subtle bond between masculine and feminine. The details of the little red hexagon at the vertices define its 3D visual effect. In the Sarabande Wallpaper collection designed by Pappenpop for Equipo DRT.
