Kibo Coex FR

001 Blanco

Ref. 21302

100% pure linen, fire-retardant and transparent fabric. This innovative, lightweight, stonewashed, soft curtain fabric creates an elegant drape. Technical innovation at its best. Coex certifies that the natural fibres are treated and certified as flame retardant. This is possible thanks to a treatment applied, at a molecular level, to the properties of the fibre itself, without layers of finish on the fabric's surface. The fabric burns but flame will not spread. It is therefore suitable for applications in collective spaces for those seeking to give spaces a natural look but must meet fire safety standards.

Composition

100% Lin.

Width

310 cm.

Weight

363 gr.

Horizontal/Vertical pattern repeat

Valid for

Remarks
