Malvarrosa Outdoor FR

001 Blanco

Ref. 21395

Flowers, yes, but with an unconventional twist. In designing ‘Malvarrosa’, Mariscal has brought innovation to one of the most traditional decorative elements, floral design, by using playful brushstrokes and adding freshness, rhythm, and amusing colors. With its change from a typically feminine to an unusual masculine feel, the printed outdoor FR fabric ‘Malvarrosa' is ideal for indoor and outdoor upholstery, cushions, and curtains to decorate both residential and contract spaces, lending them personality with its original designs.
