Aruba

551 Orquidea

Ref. 21536

Aruba is stylish and trendy thanks to its organic design. Its motif recalls falling water drops or a vegetable winding pattern. Colour and texture contrast between the background and outline of the pattern creates a greater transparency and accentuates the verticality of the pattern, enhancing tahe drape. A natural looking and lightweight curtain fabric provides a breath of fresh air as a window treatment.

Composition

72% Pol. - 20% Lin. - 8% Lana/Wool
