Teide Soft

002 Beige

Ref. 21685

A plain, premium quality curtain fabric with a soft feel, Teide is made of a classic mistolino blend (90% polyester, 10% linen). Although it is semitransparent, this easy-care fabric has a certain amount of heft and is machine washable. Its uniform look is accentuated by pinpricks of light due to its natural linen fibers which are accentuated in the light. Available in six colors: white, natur, beige, alpaca, stone, and pearl.
