Damero

014 Greige

Ref. 21804

The Cuatro Cuatros studio has managed to turn the geometry of the square into a delicate textile proposal thanks to the work with a noble and ductile fabric such as linen. The result is the Damero design, a checked linen curtain fabric, with squares of 3,7 cm each side, inspired by the trend of the proto-rationalists, who seek to contrast the hardness of geometry with the organic of linen.

Composition

100% Linen

Width

320 cm.

Weight

520 gr.

Horizontal/Vertical pattern repeat

Rapport Y

3
