Goa

014 Greige

Ref. 21981

Goa, a fabric created in 100% linen, welcomes us to an exotic world that combines the tropical freshness of palms and leaves with a touch of interior colours, transporting us to a unique and avant-garde oasis. With its colourful patterned print, pastel tones and subtle wear, 'Goa' achieves a special effect that fuses the essence of vegetation with the natural texture of linen.

It is a 140 cm. wide printed fabric conceived to give life to decoration projects. Its exclusive design, carefully created by Equipo DRT, guarantees a unique and original piece that stands out in any environment in curtains, cushions, chairs and all types of upholstery.
