Tyris

666 Escarlata

Ref. 22075

Timeless thick canvas in 300 cm, full-bodied fabric, Panama type, with a palette of 42 colours. Tyris is a multipurpose polyester cotton fabric designed for curtains, due to its width, as well as for upholstery, as it is resistant, washable and has 32,000 cycles in the Martindale test. In addition, thanks to its special PFAS-free finish, it repels liquids, making it a perfect fabric for heavily used tablecloths and chair covers that require regular washing, without shrinkage or pilling. A fabric that meets Oeko-Tex certifications.
