Oberon

012 Blanco Alpino

Ref. 22107

Textile design for hotels and projects looking for a linen look with the properties of fire-resistant fabrics. Oberon is created from an innovative transparent and not shiny yarn that fits perfectly in natural spaces. If you are looking for a certified fabric for projects with a natural texture, Oberon is sure to meet your expectations. It is also a 320 cm wide fabric and it is finished with a zinc band on the edge which adds weight and drape to the fabric. Available in various colours from optical white to natural, linen and grey.
