Clunia

445 Verde

Ref. 22227

Clunia is a semi-plain multicolored velvet that stands out for its rich texture, designed to bring sophistication and durability to upholstery projects. Its subtle design, without obvious motifs, allows the interplay of colors, light, and shadow inherent to the pile to be appreciated, adding depth without excess. With a consistent body and a soft touch, it is ideal for both residential furniture and contract spaces. Available in a carefully curated color range, Clunia can be treated with a fire-retardant finish upon request, meeting the technical standards required for hospitality and high-traffic areas. It coordinates seamlessly with the Obulco design.
